

MESSIAH LIFEWAYS Volunteering

More than 120 years ago, Messiah Lifeways® was founded on a spirit of giving and generosity that continues to this day. As part of that spirit, volunteers impact each department within Messiah Lifeways. Volunteers give their time, talents, and devotion to further our ministry. At Messiah Lifeways, we offer a wide variety of enriching volunteer opportunities that enhance the lives of volunteers, residents, clients and team members.

Become a Messiah Lifeways Volunteer and use your unique gifts and talents to further our mission of responsibly enhancing the lives of older adults with Christ-like love. Once you decide to share your passion with residents, clients, and team members, the office of Donor & Volunteer Development will match your interests with a need within our community. All volunteers complete an application, attend Messiah Lifeways volunteer orientation, and receive specific task training. To learn more about how you can make a difference in the lives of older adults, please contact the Donor & Volunteer Development office at 717.790.8203.

"I get much more out of the experience of volunteering than I give."
