*Licensed as a Personal Care Home.

- (1) Holding Days rate for residents will be the Basic Services daily rate for their accommodation, less an overnight credit.
- (2) If one spouse is admitted to the hospital or nursing care, the remaining spouse is charged the full single rate until the spouse returns to that room at which time both residents are again charged the double occupancy rate for their appropriate level of care.

There is a nonrefundable reservation fee of \$750. The residence will be held for up to 7 days from the day the reservation is paid. Full rates will be charged thereafter. Respite packages are available for pre-arranged, pre-paid short-term care from 14 to 30 days. The daily rate for respite care is the Health Support Rate for the room type reserved.
